FROM THE MINISTERS DESK

More than one third of the population in India, around 440 million, is below 18 years. They are truly India's future as strength of the nation lies in a protected, healthy, educated and a developed child population that will grow up to be productive citizens of the country.

The Integrated Child Protection Scheme (ICPS) aims at reducing the vulnerability of children and provide protection to them from all kinds of real and perceived danger. In order to ensure effective service delivery ICPS has set up State Child Protection Society (SCPS) and District Child Protection Units (DCPUs) as the fundamental units for implementation at State and District level respectively. The DCPU shall coordinate and implement all child rights and protection activities at district level and also map all child related service providers and services at district for creating a resource directory.

It is a pleasure to know that a resource directory is being published by the District Child Protection Unit, Kolkata under the Directorate of Child Rights and Trafficking, West Bengal, in collaboration with CINI.I hope that this resource directory will further the cause of child protection and ensure better coordination and cooperation amongst the different stakeholders.

Foreword

An effective coordination of various agencies and individuals involved in child welfare activities is not possible without clear information of child protection services and expertise available in different parts of the district. The Resource Directory of different ICPS stakeholders is one such endeavour.

The Resource Directory is an outcome of sustained efforts on part of the District Child Protection Unit, Kolkata under the Directorate of Child Rights and Trafficking along with CINI. It offers quick access to the contact details of people and agencies involved in child protection as also their functions and responsibilities.

I hope that this Resource Directory will help strengthen coordination between the stakeholders working on child protection in Kolkata.

Message

It gives me great pleasure to see that the Resource Directory for different ICPS stakeholders is being published. It gives updated information regarding the different stakeholders and would be very handy to different practitioners working in the field of child protection.

The flow of information as result of this resource directory would lead to better responses in dealing with cases of children in need of care and protection, children in conflict with Law as also trafficking related cases. Thus overall strengthening the child protection regime.

I congratulate the team of District Child Protection Unit, Kolkata and CINI for taking the initiative and bringing out this publication which is the need of the hour.

Message

The State Child Protection Society, West Bengal is committed to ensure all rights to all children in the state. Towards that goal the District Child Protection Units have developed a comprehensive frame work for child protection in the state. Every child in the state has the right to be cared for and a life to live with dignity, to be protected from violence, abuse, neglect and exploitation. This Resource Directory of Kolkata by providing contact details of the appropriate authority such as name, address, phone number and email IDs of the district, will serve the purpose to provide required information to NGOs & other service providers to act accordingly.

From CINI, we are pleased to support the Women and Child Development (WCD) Dept & District Child Protection Unit in this endeavor. We believe that the Resource Directory will help to improve the quality of services in child protection and expedite the process of providing services in "the best interest of the child". I would also like to add that CINI would appreciate feedback from all the "users" with suggestions to improve the Resource Directory and keep it updated. I am grateful to Dr Shashi Panja, Minister of State, Dept. of Child Development, Dept. of Women Development & Social Welfare & Chairperson State Child Protection Society, West Bengal, Smt. Roshni Sen IAS, Secretary Dept of Women and Child Development, Executive Chairperson, SCPS and Ms Richa Misra IFS, Director, Child Right & Trafficking & Member Secretary State Child Protection Society, for guiding us in compiling the Resource Directory. We express our gratitude to all for welcoming CINI's endeavor.

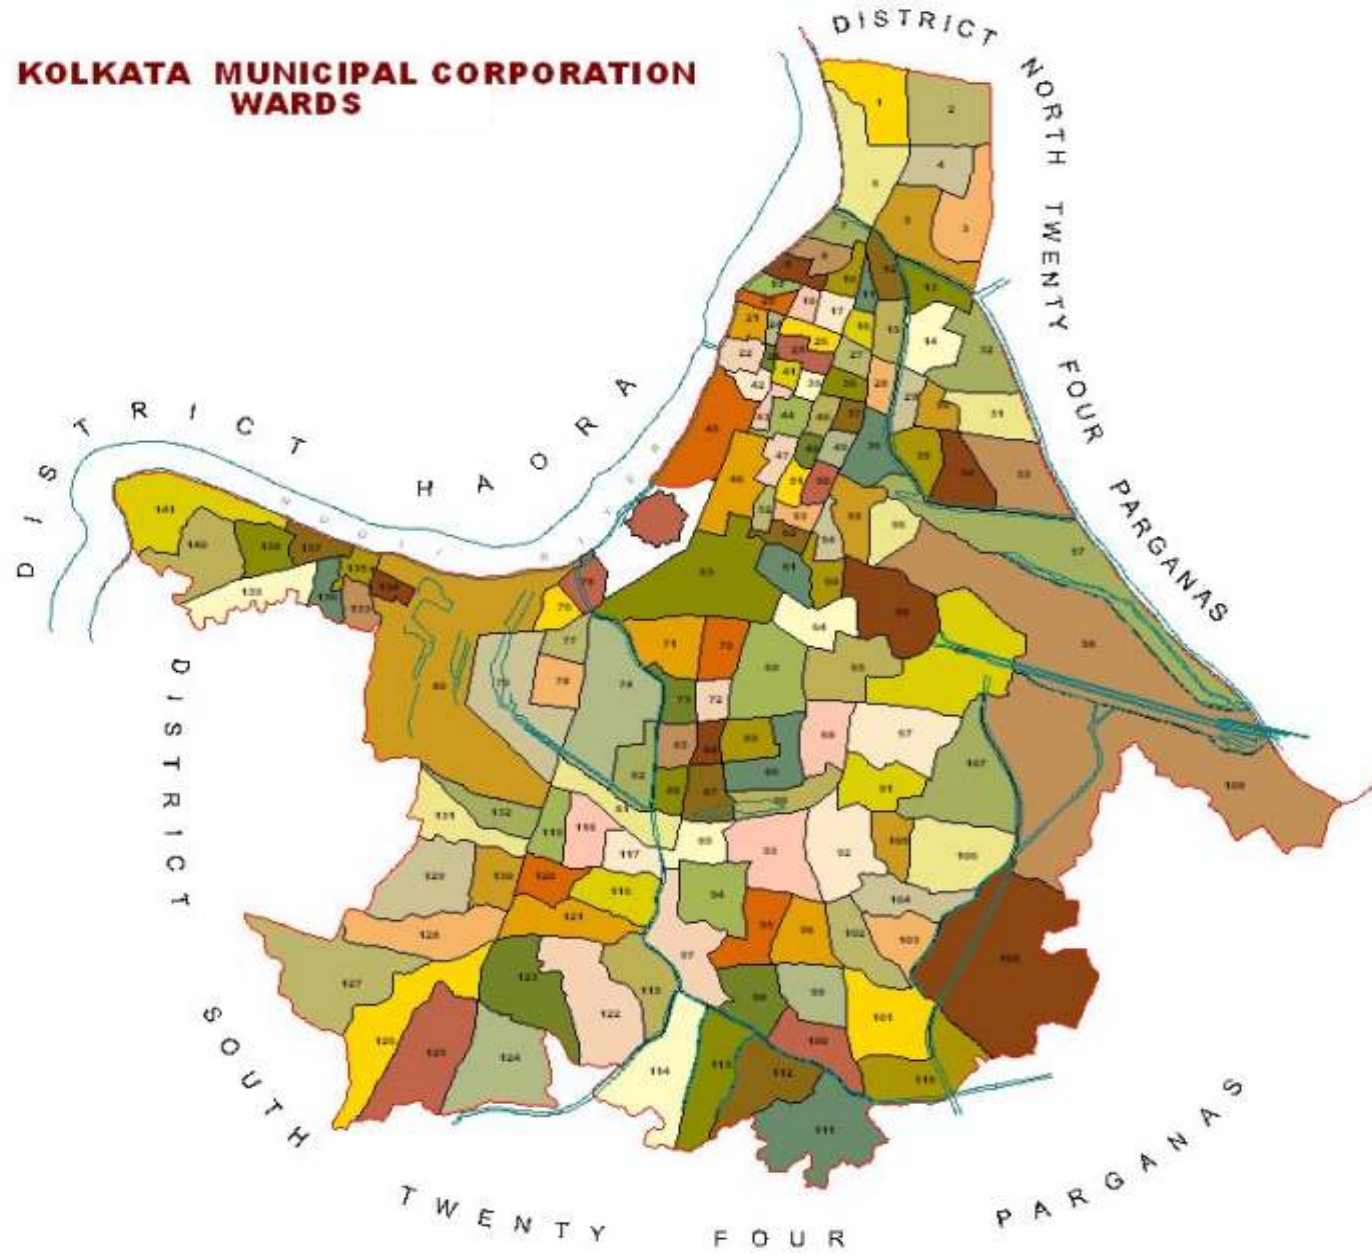

Dr Samir Chaudhuri
